

LWS is a pioneer in its field in Ludhiana, the capital of Hosiery and Woollen products of India. The strategic location and easy accessibility by road and by air make LWS an extremely viable proposition.

A quest for perfection keeping in mind methodism and a flexibility to accommodate better ideas is the undermining feature of the entire framework of LWS. It's accordance with the guidelines laid down by the specified beneficiaries has assisted the separate departments to work together in an easy and systematic manner. The integrated, elaborate infrastructure at LWS functions as a unified, well-co-ordinated team with a single purpose of achieving the best quality products for the consumers.

LWS Knitwear Ltd is a company with 40 years' experience in the manufacturing of winter and summer wear garments. At LWS, we focus on providing the best quality products, efficient and reliable services to our customers and satisfy them. This has been the pillar of our success. Our integrated, elaborate infrastructure helps our dedicated team to work as a unified, well-coordinated unit with a single purpose of providing highest quality products. We trade in high quality cloth in every material.

We are always looking at new opportunities in new sectors to expand our range of service and innovate with new products.
