

ANGREJ MOVIE -

A personal favorite for Amrinder Gill, Ammy Virk

PRABLEEN KAUR Ludhiana

When it comes to comedy, Punjabi movies are a hit with the public. To give a new edge to it, Bollywood Amrinder Gill is back with his movie Angrej. The leading star cast of Ammy Virk and Amrinder Gill visited the Daily Post offices to share their experience. Starting with the story of the movie Angrej, both of them perceive it to be a very different concept. Presently, love stories belong to Facebook and Whatsapp, but during a previous era even holding hands was considered to be a very big thing. Thus, the movie is a romantic journey which shows a love bond during the 1940s. It is a totally entertaining tale, where humor is a part of every dialogue. started exploring things on their phone. Then going further, they added to the story and it is brought out in layers to enlighten the public. When it comes to a love marriage, in this century its something very easy nowadays, but when one thinks of previous times, it use to be a 'Big No' by parents who were stuck in the Stone Age and cared not about their children's feelings. The story revolves around how the lead actor, Amrinder Gill, who is playing the character of Angrej, manages to get her love interest. The character of Ammy Virk is of Chakan Singh from Lahore, which is basically liked by him. Being that his ancestors are from Lahore, it was easy for Ammy to cope with the language. Both the stars were very excited by this new film and the overall project, and have great expectations for the movie to be eye candy for the public. When questioned about the fan following, Ammy further said that we have a different kind of public now attached. When people think of romantic numbers, Amrinder is in the minds of them, but when it comes to party numbers she is preferred. Furthermore, Ammy Virk proclaims herself to be a newbie in the movie industry, whereas Amrinder Gill is long established. Both of them have worked together in many concerts and believe that another album is in store for January. The movie even has Aditi Sharma, Sargun Mehta, Nir-mal Desh, Anita Devgan and many other people in it. The film even focuses on the theater artist, which something very unique, adds Ammy Virk. Both of them even praised Binnu Dhillon for his fun loving role.

Baahubali takes lead again

DP CORRESPONDENT Ludhiana

Fly Away Sol, also called Masaan, is a 2015 Indian Hindi drama film directed by Neeraj Ghaywan. Set in present day Banaras, the plot of Masaan follows two seemingly separate story arcs that eventually converge. The first of these tells the story of Devi (Richa Chadda). The film opens with her and her fellow student, Piyush, checking into a hotel room. They are interrupted when the police burst in, accusing them of indulging in "indecent behavior," and even getting a confession from Devi on videotape. Subsequently, Devi and her family are subjected to blackmail by the police, particularly one Inspector Mishra, who demands a hefty bribe from Vidyadhar Pathak, Devi's father. The second narrative concerns Deepak (Vicky Kaushal), a young boy (also from Banaras) who works in funeral pyres. Deepak meets and falls in love with Shaalu (Shweta Tripathi). Thus the story is a different one from what is typical in the Bollywood industry. Ant-Man is a 2015 American superhero film based on the Marvel Comics characters of the same name: Scott Lang and Hank Pym. Produced by Marvel Studios and distributed by Walt Disney Studios Motion Pictures, it is the twelfth installment of the Marvel Cinematic Universe (MCU). The film was directed by Peyton Reed, with a screenplay by Edgar Wright & Joe Cornish and Adam McKay & Paul Rudd, and stars Rudd, Evangeline Lilly, Corey Stoll, Bobby Cannavale, Michael Peña and many other celebrities. Adding to another new release, Lovely to Lovely is even among the list which is a Punjabi Comedy movie. Talking about the occupancy, in MBD Cinemas, Masaan stood at 30 percent of the box office take while Ant-Man received 20 percent. Moving to the booking account Ant-Man will definitely get more attention during the weekend. However, the previous release, Bajrangi Bhaijaan, is standing at 25 percent and Baahubali is up with 35 percent. In PVR Cinemas, Masaan stood at 30 percent whereas Ant-Man is at 35 percent. When it comes to Punjabi releases, the Lovely to Lovely movie receives no response. However, the previous release Baahubali, is still up with 55 percent and Bajrangi Bhaijaan stands at 50 percent. Thus this week the new releases are having a bad time as they are unable to garner even an average response.

Coming To Ludhiana is always good, specially when I think about my previous visit, when I performed at Guru Nanak Bhawan. The new Angrej movie is definitely among my favorite projects. Coming to working with Ammy Virk and the Director, Simerjit Singh, it was always great fun. For me, movies are a part of my life, but I would always prefer doing albums too, so as to stay connected to my fans.

AMRINDER GILL

Being my debut movie, I am very excited for it to release. On the first day of shooting, I was a bit nervous but later the team made me feel relaxed. I am playing a character of a person who is from Lahore, which made me more comfortable since I basically belong to that side only. When I think of my movie co-star, Amrinder Gill, he was a source of continuous support for me as even when his scene was not there, he was available on the set. Moreover, my journey from being a singer to an actor was completely fun because of endless support by Binnu Dhillon and Amrinder Gill. Regarding my future projects, I am coming up with an album in January with Amrinder Gill and I would be happy to work in movies again since it was a wonderful experience working in this Angrej production.
